

Social Host Responsibility Policy

The management and staff of Aika have a responsibility to provide an environment where alcohol is sold responsibly. Because of this, we have implemented the following Social Host Responsibility policy.

- We are committed to encouraging the responsible sale and supply of alcohol.
- It is against the law to serve anyone who is intoxicated.
- It is against the law to serve alcohol to minors. We are obliged to ask for age verification. This is a two-stage process. When accessing the website, a pop up is shown highlighting that the website contains alcohol products and the lawful requirement age of 18 is required to purchase alcohol. Second consent requirement is made at checkout to ensure only age-appropriate persons can proceed
- Alcohol will only be promoted and sold in a responsible manner.
- Deliveries are made between 8am and 5pm only
- We maintain a training and management policy to give our staff the skills and support they need to do their job responsibly.
- We pride ourselves on being socially responsible hosts
- At all times we will operate within the requirements of the Sale and Supply of Alcohol Act (2012)
